THIRTY YEARS OF MEANINGFUL PROGRESS, STRENGTHENED PARTNERSHIPS AND RENEWED COMMITMENT...

We are celebrating the past 30 years of meaningful progress, strengthened partnerships, and renewed commitment to the communities we proudly serve. We have provided over \$30.8 million in grants and scholarships, have \$38.3 million in assets under management and administration bringing our total managed to over \$69.2 million. The 308 funds that make up the Central Pennsylvania Community Foundation (CPCF), have funded over 890 different organizations and provided 2,510 scholarships to 2,024 students in the past 3 decades. We are so proud of these incredible milestones!

CPCF lives by 6 core values – community, generosity, legacy, service, responsibility and trust. At the heart of our work is our mission: to connect the generosity of our donors to help them achieve their philanthropic goals while maximizing the impact of each gift. Every grant awarded and every fund established tells a story of people coming together to build stronger lives and better communities. We love working with our local organizations, civic leaders, and engaged citizens, we are not only addressing immediate needs but also continue to build permanent funding sources. Have you ever thought of the legacy you would like to leave? If you don't happen to know about our most famous legacy donor, Benjamin Franklin, just ask, we love to tell his story!

As we look ahead, we remain focused on deepening our reach and strengthening our role as a trusted steward of philanthropic resources. We are committed to embracing new opportunities and continuing to watch for the evolving needs of our communities.

We extend our deepest gratitude to all who have made this work possible. Your trust, generosity, and dedication truly inspire us every day. Together, we are building a legacy of giving that will benefit generations to come. You've seen what we've been able to accomplish in the first 3 decades, won't you join us in accomplishing even more?

ABOUT US

Originally called the Greater Altoona Blair County Community Endowment, the Foundation became a 501(c)3 on March 24, 1995.

The year 2000 was a year of significant firsts for the CPCF. Perhaps the most impactful was the creation of the first corporate endowment by the McLanahan Corporation. By the end of 2000, the organization reached its first million dollars in assets under management.

The dedication and passion of many community-minded residents helped the organization flourish in its early years.

A significant milestone in the CPCF's history, the Altoona Foundation became part of the Community Endowment in 2001. Judge Thomas Peoples signed the petition to transfer the funds from the Altoona Foundation, founded in 1924, into the Community Endowment.

One of the Foundation's most successful and long-standing partnerships is with the *Altoona Mirror*. Each December since 2004, the *Mirror* and CPCF have been collaborating during the Season of Sharing campaign. Annually, one local organization is highlighted as the recipient of increased awareness and financial gifts as part of the campaign.

In 2015, the Nason Foundation hired the CPCF to administer their Foundation. In 2016, a \$3.4 million gift, the largest to date, was received.

Over the years, the Foundation has continued to grow and prosper with funds, scholarships, grants, and donors increasing every year. With great pride, the CPCF celebrated its 25th anniversary on March 24, 2020.

1998—First scholarship, Ardie J. Dillen Memorial Scholarship, awarded to Matthew Langguth.

2000—McLanahan Corporation created the first corporate endowment.

2000—Officers of the Board: Len Whiting, Gerald Wolf, Allan Hancock, Nancy Devorris, John Kazmaier & Ann Benzel.

2020—25th Anniversary Proclamation from the City of Altoona's Mayor Matthew Pacifico.

2022—Allan Hancock gifted the CPCF a new building.

2025 — The CPCF celebrated its 30th Anniversary.

FUNDS YOU CAN CREATE

UNDESIGNATED FUNDS

This is a fund for the greater good, meaning the funds may be used for any purpose. As the name implies, there are no restrictions on the way the money can be allocated, making it ideal for a fund with broad philanthropic interests. Undesignated funds will be managed by the Central Pennsylvania Community Foundation in order to properly distribute support to projects and organizations that can best make use of it.

DESIGNATED FUNDS

The opposite of an undesignated fund, this option allows ongoing support for specific charitable organizations. When establishing a designated fund, you'll be able to choose one or more organizations to automatically receive annual grants from your fund in perpetuity.

DONOR-ADVISED FUNDS

While this style of fund shares the broad nature of an unrestricted fund, it differs in one important way — it allows you to have an ongoing say in suggesting ways your gift should be used to benefit the community. This makes donor-advised funds a highly personal and flexible way to impact the community.

FIELD-OF-INTEREST FUNDS

Unlike a designated fund that selects one or several individual organizations to support, a field-of-interest fund provides the flexibility to support many organizations under a focused area of impact. The benefit of this style of fund is that it focuses on supporting a cause instead of a specific organization, ensuring that no matter who is making breakthroughs in the area you're passionate about, you will be able to support them.

SCHOLARSHIP FUNDS

While other types of funds invest in causes and organizations, a scholarship fund allows you to invest in people, providing the community's students with the support needed to achieve. These funds can be designated from preschool all the way up to postgraduate studies as you see fit, and are often established to memorialize a loved one.

AGENCY FUNDS

You align your charitable organization with the CPCF. Instead of having to establish their own foundation, charitable organizations can establish an agency fund under the CPCF umbrella. This ensures long-term funding and alleviates often complex administrative duties.

Funds That Originated With Us

In addition to the active funds that we currently manage, we have helped to launch several non-profit organizations. Some organizations eventually get their own 501(c)3 designation but keep an active fund with us, while others move on entirely. The following are now independent charitable organizations. We are proud to have been a part of their history.

- Altoona Curve Baseball Charities
- Amelia M. Sharer Foundation
- Beacon of Blair County
- Central PA National Guard & Veteran’s Association Foundation
- Foot of Ten Elementary PTO
- Living Stones
- Love From Liam Foundation
- The Nehemiah Project
- Smiles For Miles
- Sweat for Vets, Inc.
- Visitors From The Past

The CPCF is proud to administer the Nason Foundation.

The CPCF is proud to administer the Altoona Mirror Season of Sharing.

GIFTING OPTIONS

There are many options for charitable giving. With any option, you should always contact your tax advisor.

CASH Since the CPCF is a public charity, your gift qualifies for the maximum tax benefits. Gifts of cash are deductible up to 60% of your adjusted gross income; any excess amount may be carried forward for deduction over the next 5 years.

STOCKS & BONDS When gifting stocks, bonds, or mutual funds, you’ll receive a deduction equal to the current market value of the securities and avoid the capital gains tax on any long-term appreciation. Gifts of stocks and bonds are deductible up to 30% of your adjusted gross income and any excess amount may be carried forward for deduction over the next 5 years.

LIFE INSURANCE Your life insurance policy may be used for a charitable gift. You can name the Foundation as the beneficiary of an existing policy or donate a policy you no longer need. You may find that purchasing a new policy for the Foundation may afford you the opportunity to create a much larger fund. The premiums you pay for such a policy are deductible from your income tax.

RETIREMENT ACCOUNT ASSETS & IRAS Careful planning is needed to ensure excess taxes are not incurred. Some IRAs have been taxed as much as 80% due to lack of adequate tax planning. However, they do provide a special opportunity to establish a fund.

CHARITABLE BEQUEST A charitable bequest is a gift that is made part of a will or trust. There are many ways that a charitable bequest can be set up. The CPCF team can work with you and your attorney to include one into your estate plan.

CHARITABLE LEAD TRUST If you are interested in supporting specific causes for a specific period of time, with remaining assets eventually going to your heirs or beneficiaries, a charitable lead trust may be a good fit for you.

CHARITABLE REMAINDER TRUST A charitable remainder trust is a strategy that can generate a lifetime income for the donor(s). Upon death, the remainder is donated to the designated charity.

REAL ESTATE This and other assets are accepted by the Foundation on a case-by-case basis.

SUSTAINING VISIONARY Contributions to the Sustaining Visionary Fund provide additional funding for the Community Foundation’s competitive grant program. You may direct your contribution to one of the following areas: Animals, Arts, Economic and Community Development, Educational Programs, Health Related, or Social Services. Donations (you set the amount) to the Sustaining Visionary Fund may be billed on an annual or semi-annual basis.

If you are interested in becoming part of the Sustaining Visionary Fund, just contact the Community Foundation office.

EDUCATIONAL IMPROVEMENT TAX CREDIT (EITC) In Pennsylvania, tax credits are available to eligible businesses contributing to a Scholarship Organization, an Educational Improvement Organization (EIO), Opportunity Scholarship Tax Credit (OSTC), and/or a Pre-Kindergarten Scholarship Organization. Previously the CPCF accepted contributions to any of the 4 programs. Currently, we are only accepting EIO contributions.

In 2020, the CPCF began to handle Special Purpose Entity: Educational Improvement Organizations (EIO) contributions. This program is available from January 1 – August 31 each year. Individual business owners, who are new donors, and agree to make at least a \$3,500 contribution could be eligible for this program. If you are interested in learning more, please call our office.

LEGACY SOCIETY

As of December 31, 2025

The Legacy Society members are those who have named the Central Pennsylvania Community Foundation as the beneficiary of any type of planned or deferred gift. Composed of individuals who have made plans to leave a gift to the Central Pennsylvania Community Foundation, members of the Legacy Society have that special satisfaction that comes with knowing that they have helped make this corner of the world a little better.

Legacy Society members may designate the use of the distributions from their future gifts, or may leave the distributions to the discretion of the Grants Committee. A Legacy Society gift may be used to establish a new Named Fund or may be added to any of the Foundation’s existing funds. There are many not-for-profit organizations worthy of consideration and support, but the “ultimate philanthropy” is the Foundation itself. Gifts supporting the Foundation will ensure our ability to create a better future for all of us.

PHILANTHROPY AWARD RECIPIENTS

Each year, the Central Pennsylvania Community Foundation recognizes an outstanding person(s) in our midst who exemplifies our mission

2025 - The Bruno and Lena DeGol Family Foundation

Living in a small coal mine community, Bruno and Lena DeGol learned the value of hard work, sacrifice, determination, and love of family. From these humble beginnings, they embarked on what is truly “The American Dream”, by starting a local building supply store in Gallitzin. Ultimately, their efforts became The DeGol Organization, a nationally recognized group of businesses, Bruno and Lena, were always willing to contribute to community and civic minded groups, local institutions of learning, and other charitable organizations. Eventually, they formed The Bruno and Lena DeGol Family Foundation, with contributions to Saint Francis University. The Foundation supports the UPMC Hillman Cancer’s efforts regarding Breast Cancer, the Northern Blair County Recreation Center, The Mishler Theatre, The Foreman Foundation for Cancer Research, American Rescue Workers, Saint Vincent DePaul, Miracle League, Special Olympics, Southern Alleghenies Museum of Art, Allegheny Health Network, The Legacy Foundation, Operation Our Town, Marian Heights (Garvey Manor), Dreams Go On, emergency service organizations, and countless others, including multi-year scholarships to local high school seniors. The entire DeGol Family is most pleased that their successes have allowed them to continue to support the area’s fine organizations and look forward to continuing its efforts for many years to come.

2024 - The DelGrosso Family

The DelGrosso Family’s commitment to giving began with its founders, Ferdinand and Mafalda DelGrosso. They were generous beyond their means. Their spirit of helping individuals and organizations in need that began 77 years ago lives on with the family’s second and third generations.

Their philanthropy takes many forms – from hundreds of small contributions to larger endeavors falling typically within four categories: Faith, Family, Health, and Education & Arts.

Recipients include:

- The Diocese of Altoona Johnstown
- Little Sisters of the Poor
- St. Vincent DePaul Soup Kitchen and other food pantries
- Northern Blair County Recreational Center
- ABCD Corporation
- Joshua House
- Children’s Miracle Network
- Coaches vs Cancer
- American Cancer Society
- Girls Night Out
- Pink Power
- UPMC Altoona Foundation
- WPSU Public Broadcasting
- PBS Documentary Series
- Altoona Symphony Orchestra
- Church In the Middle of the Block productions

The DelGrosso family is committed to carrying the legacy of its founders and to making our community a better place to live.

2023 - Allan Hancock

as a First Lieutenant.

He began his career in financial services in 1960, and in 1963, formed Hancock Associates, Inc., and Hancock Capital Management, Inc., now known as The Hancock Group, Inc., where he serves as CEO & President. Serving in many leadership positions within the industry, Allan has been past president of the Altoona and Pennsylvania Association of Life Underwriters (AAAIFA - PAIFA), the National Association of Insurance and Financial Advisors (NAIFA), and a 50-year member of The Million Dollar Round Table. He is also a member of The Million Dollar Round Table Foundation (past president) where he is credited for establishing a donor advised program called the Global Gift Fund.

As mayor of Altoona, Allan was instrumental in the 17th. St. Extension, the Altoona Transportation Center and the City of Altoona Water Authority projects. He has been very active in multiple groups, including the Blair County Red Cross, Homewood at Martinsburg, and as an original Central PA Community Foundation board member, now serving as president for over 25 years. In 2022, Allan generously gifted the CPCF with the building which now houses the organization.

Allan has three children and five grandchildren. He and his wife, Judy, reside in Altoona.

2022 - The John & Delores Hillard Family

John and Delores Hillard would be proud that their legacy of giving lives on through the John and Delores Hillard Family Fund that John established in 2005 through the CPCF. Delores died in 2004, and John died in 2013. Since their passing, the Hillards’ daughters, Ellen and Alicia, and their grandson, Josh, have continued the family’s tradition of philanthropy.

The John and Delores Hillard Family Fund has quietly supported over 50 charitable organizations, including:
